Farm leaders visit Washington

Appomattox County Farm Bureau President Ed Anderson and Vice President John Hite, with leaders from County Farm Bureaus across the State went to the nation's capital to visit with their Senators and Members of Congress March 28-30.

Anderson called the effort of 148 county farm leaders that made the trip "very beneficial and worthwhile". Anderson noted that in a year when we will elect all of the members of the House of Representatives and a President of the United States, it is important for all to have an understanding of what goes on in Washington.

Some of the major issues discussed with Senator John Warner, Senator Paul Trible and Congressman Dan Daniel were the 1985 Farm Bill, spending and taxes, animal welfare and natural gas deregulation.

All three gave a favorable response to the Farm Bureau policy positions presented.

In addition to visiting with the Virginia delegation, the group met with Secretary of Agriculture John Block and some of his people from the USDA. Several farm programs were discussed. Fran Flanagan from EPA presented an overview of the Chesapeake Bay Program and its relationship to Agriculture.

Thomas A. Finch, Jr., Thomasville executive, dies

Thomas A. Finch, Jr.

Thomas A. Finch, Jr., chairman of the board of Thomasville Furniture Industries, Inc. since 1979, died March 29 after an extended illness.

Mr. Finch, 61, was widely known for his industry efforts as well as for his many contributions over the years to civic, church and education causes.

The Southern Furniture Manufacturers Association in 1979 honored Mr. Finch with the James J. Ryan Award for "his many contributions for the betterment of his community, the furniture industry and to the state and region." This past January he received yet another honor when the Thomasville Family YMCA was renamed the Tom A. Finch Community YMCA.

Mr. Finch assumed the presidency of Thomasville Furniture in 1961, a position his father, T. Austin Finch, and grandfather, Thomas Jefferson Finch, both held before him. It was under "Tom A.," as he was affectionately called throughout the industry, that the 80-year-old furniture company became a powerful force in the national marketplace.

Mr. Finch served as a director of Integon Corporation and Wachovia Bank and Trust Company, both in Winston Salem, NC, Armstrong World Industries in Lancaster, PA, and the Norfolk Southern Railway in Washington, DC. He was a past president of the Southern Furniture of the South. In 1963, he was selected as Furniture Man of the Year by the American Furniture Mart.

Mr. Finch was a trustee of the Medeira School, Greenway, VA; Duke University, Durham, NC; and Woodberry Forest School, Woodberry Forest, VA. He also served as a trustee of the Davidson County Public Library System as well as Thomasville's Community General Hospital. He was active in the development of the Thomasville Family YMCA, serving on the board of directors, and in 1975 received the YMCA Industrialist of the Year Award.

Mr. Finch sat as a member of the Davidson County Bicentennial Committee and was a member and past president of the Thomasville Rotary Club.

He was graduated with honors from Woodberry Forest in 1940 and from Princeton University in 1943, where he was a Phi Beta Kappa. He then served as lieutenant in the United States Navy in 1946.

He was a member of the Everglade Club in Palm Beach, FL., and the Metropolitan Club in New York City.

Tom A. Finch is survived by his wife, Mrs. Jane Hunt Finch; Clark Slane of High Point, NC, and his five children: Thomas Austin, III, of New York City; John Lambeth of High Point; Sumner Slane of Chapel Hill; David Slane and Meredith Kempton, both of Thomasville, and three grandchildren.

Services were held at 4:00 p.m. on March 28 at Memorial United Methodist Church in Thomasville. Memorials should be made to Woodberry Forest School, Woodberry Forest, VA. 22989, or the Thomasville Community Foundation, c/o William Albright, Wachovia Bank, Thomasville, NC. 27360, for the benefit of Alzheimer patients.
